- GPA: 3.73/4.0 | Rank: Top 10% (2/25)

INTERNSHIP EXPERIENCE

iFlytek Co., Ltd. — Subtitle Translation Quality Evaluation Oct. 2026

- **Quality Rating:** Applied 5-dimension genre-specific rubrics, grading each meaning unit at 0.5-point granularity.
- **Source Proofreading:** Verified ASR against a self-built Whisper CN-EN SRT, correcting omissions and misrecognized proper nouns and digits.
- **Terminology & Consistency:** Compiled on-screen proper nouns and terms, added 80 term notes, and fixed inconsistent translations.
- **Results:** Evaluated 744 subtitles (273 meaning units, 2 program types) and logged 89 issue comments for QA.

DiDi Global Inc. — Localization Project Management (LPM) Jun. 2025 – Nov. 2025

- **Translation Process Oversight:** Coordinated linguists and vendors, tracked demand progress, and ensured end-to-end delivery closure.
- **Cross-role Collaboration:** Resolved translation queries, coordinated legal reviews, and handled offline requests.
- **Results:** Processed 260+ multilingual requests across 10 languages, supporting 5 production lines.

BLCU Publicity Office — Campus News & Content Management Feb. 2025 – May 2025

- **News Processing:** Systematically curated and quality-checked official news content for the university.
- **Meeting Documentation:** Served as rapporteur for university-level meetings, producing executive summaries.

Lingosail — Quality Evaluation of Bilingual Machine Translation Jun. 2024

- **Quality Assessment:** Evaluated translations per guidelines, analyzing grammar, semantics and terminology to assign ratings.
- **Results:** Scored 500 AI-translated texts, delivering data-driven insights for translation optimization.

Xiaomi Corporation — Terminology Management & Content Optimization Mar. 2024 – Jun. 2024

- **Terminology Development:** Built Xiaomi Auto term base by consolidating industry data and documents.
- **Bilingual Optimization:** Refined EN/CN automotive terms, fixing errors and improving consistency.
- **Results:** Delivered 100 refined bilingual term pairs, supporting Xiaomi Auto terminology system.

SKILLS & CERTIFICATES

- **Certifications:** CATTI Level 3 (Translation); TEM-8, TEM-4; CET-6, CET-4; Mandarin Level 1-B.
- **CAT Tools:** SDL Trados, MemoQ, Phrase (CMS), AntConc.
- **Technical & Media:** HTML/CSS, FastAPI, SQL, Cursor, AIGC content creation; Capcut, Microsoft Office Suite.
